## Expediting Your Business

These helpful year-end tips from New Business will help ensure faster processing!

[Year-end Processing Tips](#)

### UNDERWRITING

#### Underwriting Enhancements Continue

Throughout the year, we've been enhancing our practices to give you the best possible underwriting offers. Our "Making Life a Little Easier" campaign takes these improvements one by one and gives you added detail. Look for continued communications and enhancements throughout 2010! In the meantime, to review 2009's initial underwriting enhancements, click [HERE](#).

### PRODUCTS

#### ROP Riders Now Available in Florida

Transamerica Life Insurance Company's new Return of Premium riders on Trendsetter<sup>®</sup> Super 20 and Trendsetter<sup>®</sup> Super 30 – featuring return of premium, enhanced cash surrender values, loan capabilities and more – are now available in Florida. iGO support will be available shortly. To review the updated authorization to sell, please click [HERE](#).

#### New SPIA Illustration Software Available

An updated version of the illustration software for Transamerica Life Insurance Company's Single Premium Immediate Annuity Product is now available on TransACT<sup>®</sup>. For download instructions, click [HERE](#).

#### 1st Quarter NAIC Model Index Minimum Nonforfeiture Interest Rate

Effective January 1, 2010, the minimum nonforfeiture interest rates for annuity products filed and approved in states that have adopted the NAIC Model Index will change. In order to properly run illustrations using the new rate, you'll need to download the interest rate update program that will be available on TransACT<sup>®</sup> **after 2:00 p.m. Pacific Time on Thursday, December 31, 2009**. For more details, please click [HERE](#).

### TRANSACT

#### New Underwriting Sections on TransACT Make Information Easier to Find

Keeping abreast of Transamerica's underwriting enhancements is now even easier. Log in and quickly find the latest Underwriting resources on the TransACT<sup>®</sup> homepage or slide your mouse to the new "New Business and Underwriting" tab. To see Underwritings' newest real estate on TransACT, click [HERE](#) or visit [www.tatransact.com](http://www.tatransact.com).

### FORM UPDATES

#### Weekly Form Updates

Forms may be accessed via Transamerica Forms on TransACT<sup>®</sup> ([www.tatransact.com](http://www.tatransact.com)) under the Tools tab and eOrdering section for GAs and under the Sales Tools tab and Library section for producers. For this week's changes, click [HERE](#).
